#### Lane closure update

The Unified Command for the Refugio oil spill response advises travelers that continued single-lane daytime road closures may occur through August 9 in the southbound direction of U.S. Highway 101 west of Refugio State Beach in Goleta, California. Closures are scheduled from 9 a.m. to 6 p.m., Monday through Saturday. On Sunday the lane closure is scheduled from 9 a.m. to 2 p.m. to minimize impacts on afternoon traffic. The closures are necessary due to heavy equipment operating in the cleanup area.
